## **Gala Process Guidelines:**

1. Only registered swimmers are eligible to swim galas.  
To be registered:
  - Your account needs to be in good standing (no overdue invoices)
  - At least one parent must be registered as a timekeeper.
2. You can find the gala calendar here:  
<https://www.cybersmartaquatics.com/downloads>  
Please note that CTA, WCA, Swim SA may change the calendar with a very short notice.
3. Cybersmart Aquatics coaches decide which meet we are swimming, and our coaches do entries for the swimmers.
4. Well in advance before a gala, we will create a *Telegram group* for all parents and swimmers who are eligible to swim that meets. All information, entries, timekeepers will be clearly communicated on this group.
  - If for any reason you do not want your child to swim this gala: send a message on this group: *"Please scratch my daughter, Suzy."* Then simply exit the group. At this stage we won't enter your child, therefore there will be no cost for you. Important: once you have been invoiced for the gala, you are liable for the gala fee, even if you decide to withdraw later.
  - When you agree to swim the meet, you don't need to do anything, our coaches

will do this for you.

5. Please check the due date on the gala invoice, no-payment or late payment will result your child not being able to take part at the meet.
6. As per CTA and WCA rules, only club gear is allowed at the galas. The use of a Cybersmart swim cap is compulsory for warm-ups and the races.  
Please keep your Cybersmart kit updated here: <https://shop.cybersmartaquatics.com>
- 7. We look forward to seeing you racing!**

*Yours In Swimming,*
