

Dear Parents,

Important information for the 2022/2023 competition season.

If your child is in the Beginner, Junior, or Senior team then he/she is ready to take part at club swimming competitions.

It is a condition of registration that **each swimmer needs a minimum of one parent registered as a timekeeper** for the season.

Being registered does not mean that you will have to work each time your child competes. It's in fact quite the opposite. The more registered timekeepers our club has, the less each of you need to work.

Cybersmart Aquatics is in the process of registering one hundred swimmers for this season, which makes us one of the biggest team in the province.

How can you become a timekeeper?

YOU ARE INVITED TO JOIN OUR TIMEKEEPER'S COURSE!
